B.

· First House [Udaya / Tanu Bhava]:

· This house basically covers matters related to your personality, looks, attitude, temperament and basic strength of your horoscope.

· You will have suggesting a practical approach to life. You will be known for your practical approach, objectivity, basic detail, and analysis. You will have a personality often on the quiet side, somewhat unassuming, and never crude or coarse.

· You will be good looking with round eyes, weak physique and black mole or wound on the body, and have fat thighs.

· Fair color, ambitious, efficient at work, possessing leadership qualities and will be a frugal eater, will eat hot food, may be aggressive.

· You will be fond of traveling, will be lively, a fast walker, benevolent, courageous, fearful of disputes and arguments, engrossed in good deeds, respectful to elders, devoted to god and will be engrossed in religious activities and accumulation of wealth.

· You will be lazy in the initial stages of starting of work, will be keen to reside abroad, angry, humble, in spite of great achievements, favored by the state, talented, energetic, alternatively wealthy and impoverished, self-made, famous, fearful of losing high position, interested in charity and philanthropy, affectionate towards subordinates and servants, dear to men, victorious in the society of males and will be beloved husbands and will be respectful to elders.

· You could have suffering related from headache or head ailment due to hereditary reasons, severe fever, internal burning, acidity, stomach ache. Towards the later part of life there may be some accidental injury, food poisoning or gastric problem.

- . You will have mediocre height, will move around energetically and the eyes will have a sharp and aggressive look. The knee and its lower part will be weak. You will not tolerate anybody's subordination and will always take the lead in your work and take independent decisions.
- . You will be strong willed, endowed with qualities of leadership, will be enterprising and ambitious. You will be hurried by nature and will lack patience.
- . You will always be keen to give advice and will always make efforts to impress anyone who may come in contact with you. You will be lively and energetic and firm in your belief. You will be capable of making plans and running organizations.
- . You will be truthful and will respect sincere people. You will enjoy debates and arguments. You will be enthusiastic and aggressive in speech. You will be egoistic and 'I' will always be first for you. You will be self-centered.
- . You will have an uncompromising attitude.
- . You will be bold and courageous.
- . Your weakness will be wavering thoughts, impatience, unbridled anger, quarrelsome and aggressive nature and blind faith in religion or someone.
- . You possess a mental acumen expressed in everyday practical affairs.
- . Analytical and methodical in everything you do, you are very systematic in developing ideas and seeing projects through to completion.
- . You are careful to notice details. So much so there is rarely a flaw in anything you do.
- . Your mind is the epitome of neatness and order, absorbing facts and tidbits like a squirrel storing away nuts for the winter.
- . You are a master at handling all the boring nit-picking matters others want to avoid.
- . There is a tendency for you to become something of a workaholic, going over the same ground to be sure you haven't missed anything.
- . You probably are a list-maker, wanting to have everything you need at hand.
- . Everything should have a place and everything should be in its place for you to be comfortable.
- . As you love detail, you also love precision and order. You're refined in your conduct and demeanor.
- . Unassuming in your behavior, you can be so modest that you may not get the credit you deserve. There is a tendency to hide behind an inquiring mind and stay out of the lead.
- . You can become very restless and nervous, having difficulty learning to relax. Your restlessness, combined with a critical nature, sometimes results in picayune fault findings.

. There is a tendency to focus on what is in the immediate present, often neglecting to form a vision for the future. You feel comfortable living in a world of facts and you tend to arm yourself with intellectual awareness to combat natural feelings of insecurity.

· SECOND HOUSE [DHANA BHAVA]:

. This house basically covers matters related to your family life, speech, thinking patterns and accumulation of wealth, success in investments, income source and general level of affluence.

. There is balance and harmony in material affairs. Accumulation of possessions is highly dependent on ventures with a partner, normally the marriage partner.

. There is a love of luxury and a willingness to spend money for pleasurable and sociable activities. You want items that reflect the highest quality and finest workmanship.

. Yet most of the time you are a frugal soul and you don't like to waste anything. You are good at juggling figures and balancing budgets, taking the utmost care to spend and save in proper proportions to the total income.

. When, through the extravagance of other people, you can't keep that budget in order, you become very upset.

. You take pride in what you own, and have a strong drive for security. You have staying power, and you hate to let others down once you've made a promise.

. Avoid over-identifying with what you have. Concentrate on proving your worth through your strong value system and your incredible ability to stick with things and with people.

. Take pride in the solid and secure foundations that you build, as well as the lasting relationships you aim to maintain, while being careful to avoid possessiveness.

. Your personality drive will mainly be directed into the creation of personal wealth, with an emphasis on financial security. A strong desire for material possessions is a dominant motivating factor in your life.

. You are likely to have a fixation on money, wealth, and material resources. You may totally renounce material desires and ownership, or become obsessed with having, owning, and accumulating.

. Your attitudes towards owning, keeping, and sharing will undergo major changes in your lifetime, and your fortunes are likely to run very hot or very cold.

. Issues of self-esteem may push you toward transformations in your life. Material success can lift you out of material poverty, and it may improve your sense of self-worth, but it is your understanding of the flow of spiritual energy that has the biggest impact on your spiritual development in the long run.

. It is here that you may experience great challenges, and you may have some extreme experiences learning about the real nature of money and materiality.

. You can attract resources through working in fields which involve transformation, healing and renovation, and may revitalize your own worth by allowing your needs to be in charge of your own money. You can share but may not want to share everything. That's okay, as long as you're honest about it!

. You will be infatuated with the opposite sex. You may have illicit relations with the opposite sex, so always try to be stricter with your moral values and principles.

. You can improve your social and mental status with the help of some purposeful work. You should try to establish yourself in genuine creativity.

. Your speech must be very focused and balanced. Your circumstances will not be favorable for you, you have to find or create your space by your own efforts.

. Your thinking pattern is quite balanced but influence of others will be very harmful for your inner growth. Try to do something original don't follow others.

. Try to polish your value function, set priorities in your life and work in planned way.

. THIRD HOUSE [SHOURYA BHAVA]:

. This house basically covers matters related to your initiative, courage, competition, communications ability, siblings, friends and other associates.

. Inquisitive and communicative, your mind seems to be "on" all of the time and you are forever gathering information and sharing ideas.

. Your attention span may be rather brief; you have many and diverse interests, and are easily distracted.

. You learn quickly, are eager to pass on what you are learning and thinking about, and may talk excessively.

. You are very talkative, expressing broad viewpoints with your very mobile mind.

. You are Very cheerful outlook on life, natural exuberance and optimism. You have a natural ability to communicate, especially important issues such as politics, education, and religion.

. Learning is very important to you, and you are likely to have set important long range goals in this regard.

. You love to travel and keep in touch with friends located in distant places. You believe in being well organized and prepared for whatever situation arises.

. You have an executive type of mind that files away details for use later. An excellent judge of character, your instincts rarely fail you.

. Most of your initiative and courage will be sudden. You should try to do be more planned for you initiatives.

. Don't copy someone else you should try to find out your desires and then work for it.

. Give respect to the time do not waste your time you can use it as an asset, it will work for you.

. Sudden changes of environment will create problems for you.

- Try to do continuous learning it will give you self confidence and it will open the doors of opportunities.
 - Do hard work go for some competitions and some you can have good results.
 - Sometimes you will appear unconvincing and confused.
 - Luck and initiative will work together in your life so make yourself good enough for achieving your task.
 - In your communication you should try to be more focused no need to waste your time with unwanted people save your energies for creativity.
 - Your close associates can give your pain and some time you can depend on undependable people.
 - As a person people are expecting very much from you. You have to prove a lot in front of others.
 - Much better you will get as become more mature.
 - Your analytical power will improve gradually and then you will have much better results.
 - Circumstances will give you opportunity to do much better things in your life and you will achieve so much success.
 - Your actions will positively influence society and that will be the most satisfactory aspect your life.
- FOURTH HOUSE [SUKHA/MATRU BHAVA]:
- This house basically covers matters related to your parents, domestic harmony and the level of happiness in life.
 - A strong urge to control and direct family matters. Optimism and expansion, rules this area of your chart. Your goal in life is to do right by your family because of a philosophical sense of responsibility.
 - The obligation to family is one of doing right in family matters. You hold high the meaning of the family unit in society.
 - Morality is at the deepest roots of your nature. The latter portion of your life will be very beneficial. You'll get wealthier as you grow older, both in material ways and in spiritual ways.
 - A warm, loving, and comfortable home is very important to you and you invest a lot of your energy into beautifying, decorating, and creating a lovely home.
 - Also, you share your affection with the people in your family very generously and having close family ties is a major priority for you. Being at home makes you happy.
 - You love your roots, whether home and family, ancestors, or history in general. You are probably a collector and very discriminating in this area. You appreciate emotions and like to get a sense or feel for whatever is happening.

- . You have enough to utilize as an asset and prove to the world that you did something good for family as well as society.
- . Some problems could be there but we can't change our birth circumstance we have to find the way to make it better.
- . Relation with mother will be very good. Try to listen more to your mother you have to handle her, sometime you will find it uncomfortable but try to manage it.
- . Don't try to create any kind illusion if you are not happy with something you should express it but in better way.
- . Be straight forward and goal oriented this is the only way to get happiness in your life.
- . Be enthusiastic in your domestic life and take initiative in creating love and harmony around you.
- . Your future partnerships and relationships will be totally depends on inner peace and contentment.
- . Status wise you will have everything in your life.
- . So try to improve your knowledge and understanding.
- . FIFTH HOUSE [ATMAJA BHAVA]:
- . This house basically covers matters related to your children, status and creative powers.
- . Self-expression is inclined toward the practical and the matter-of-fact. You are a hard worker, good with details, but accomplishments remain earthbound.
- . You can make a scrupulous teacher and disciplinarian of young people. There is a good deal of reservation and restriction associated with romance and the exhibition of personal creativity.
- . In romantic affairs, you may be prudish, and may even appear cold. Yet you may be highly sexed.
- . Self-fulfillment may be delayed. Sometimes, it may be a sense of obligation to your children that cause delays to personal accomplishments.
- . You are very cautious in any form of speculation, rarely taking a chance. In seeking pleasure, you're also conservative, spending much free time involved with and enjoying your work.
- . The love of accumulating a wealth of information may prompt you to spend much of your entertainment time reading and studying.
- . Show your confidence with positive actions and try to improve your knowledge.
- . Positive expression is the only key to getting love honor respect and purity.

- When ever you will try to do something purposeful or creative there will be so many obstacles for you, it will defiantly take time but in the end you will achieve you task.
- So set a big target for you and do regular efforts you will get everything in your life.
- It can take time but you are destined you have so much love and harmony in your life.
- However you will get everything related with this house status love creative power etc.
- But you just try to do little work hard you have potential but need proper care and guidance.
- You will be blessed with children and nice family life.
- Partnership could be risky but speculation will be better for you to make money.
- In your life you will get all happiness but suddenly.
- Yet delays in these successes will be often noticeable and worrisome.
- You will have all support of your stars if you initiate something, but a problem is taking initiative.
- You might be recognized as the “party pooper” or a bad date. Don’t let that happen to you! You might find it difficult to “play” or do fun things.
- Saturnine guilt and responsibility might make you search for a “good” reason to have fun.
- All work and no play might stress you out to the point of neurosis. Recognize that you don’t always need a cause to relax and enjoy life. Better still use this influence to your advantage.
- Get into an activity like raising money for a charity. That way you have a cause and the fund-raising events can be turned into fun occasions.
- SIXTH HOUSE [VIGHNA BHAVA]:
- This house basically covers matters related to your enemies, health problems, debts, obstructions and service to others.
- A good deal of originality will be sought in the work environment.
- You will be a cooperative employee, treating your coworkers as friends, though remaining a bit detached from them in most ways.
- You can function especially well within group situations. You take an impersonal view of your accomplishments, and you can persist in your diligent efforts without praise and recognition.
- You are modern and even advanced in your approach to health and diet matters.

- . If you have health problems, they are likely to be related to a high-strung nervous system. Nervousness comes from the pressures of stress.
- . You should take good care of your health.
- . Proper nutrition will be required for better results in future.
- . You will be shy, a telltale, and unmindful of what others say, and mad in money matters.
- . You will be full of valor and harmony and friends are quiet and soft spoken.
- . You will be planned projects materialize and you will be polite and blessed with peace and happiness.
- . You are famous among relatives and you will help your family members.
- . You will perform extraordinary intelligent work, is devoted to God, is benevolent and does good deeds.
- . You will love to work works a lot for others.
- . You will defeat your enemies but so much hard work will be required and you will do it very well.
- . Ailments in the region of abdomen and you can have problems related with bones
- . I will suggest you to take good amount of calcium in your food intake.
- . Do regular exercises too.
- . It will be completely enough for you to be fit if you perform your duties and job regularly.
- . There should be certain goal to use your energies else it will convert in health problems.
- . Stars are giving you opportunity to utilize your energies in valuable task your just have to take initiatives.
- . SEVENTH HOUSE [KALATRA BHAVA]:
- . This house basically covers matters related to your marriage, partnerships and all other relationships.
- . Difficulty can be experienced in partnership and marital relations. Relating with others is not easy for you.
- . It's necessary for you to find a sympathetic mate who will soothe your frayed nerves and commiserate with you about your problems.
- . When you do, you are willing to make sacrifices to benefit the union. You would like to have partnership with a person having opposite traits.
- . Rather than a practical, common sense person like yourself, you may choose someone very intuitive and visionary.

- Thus, in any partnership arrangement, you are the one to provide the organizing influence. Your partner helps you expand your horizons to new fields.
- You may have an innate fear of relationships before the fact; a fearing of letdown, and that you could never find anyone to live up to your ideal.
- In your marriage you have to be careful. Do marriage after proper communication and long time friendship only.
- I will not recommend you sudden marriage you should take good time to understand the person before getting married.
- You are intellectual person and love means a lot for you and you have specific condition for your life partner, mental satisfaction will be your first priority so don't take chances go for well know marriage.
- Other partnerships will be again big problem to manage. Interaction means a lot for your relationships and partnerships.
- But first listen carefully then only say something that will be the better way to handle your relationships and other partnerships.
- Sometimes your level of thoughts ideas will be away from others perception.
- Try to be adjusting in Sexual level same condition will be apply there too.
- So it will be better idea to match your horoscope very well before getting married.
- Sometime you will miss romance and emotional support nearly through our life.
- But proper horoscope match can solve the problems .So be positive and more optimistic in this area of life.
- Things can magically change if you realize the importance nice communication and adjustment.
- EIGHTH HOUSE [GUHYA BHAVA]:
 - This house basically covers matters related to unknown or hidden or suspicious issues, unearned wealth, property and luck.
 - In joint financial affairs, there can be conflict and disagreement about how money should be spent.
 - You are decisive in this regard, and you'll fight to hold to your convictions. Conflicts can arise regarding legacies, and sometimes such conflicts may result in litigation.
 - You will have the spirit to fight for your needs, and to insure your security.
 - You will be blessed with son, you will enjoy physical pleasures.
 - You will have hidden desire for social recognition and honor.

- Some problems will be there related with property and wealth.
- For you accepting new atmosphere is simply tough task.
- But luck can suddenly favor you in getting some sudden gains.
- Try to practice some spiritual things in your life that will defiantly help you.
- Problems related with marriage will be there.
- Be positive with your attitude.
- Change of place will be there and you will find uncomfortable in that.
- Some time you will miss the support of inheritance and proper guidance.
- You have to be more responsible in this area of life.

- NINTH HOUSE [DHARMA/BHAGYA BHAVA]:
- This house basically covers matters related to your level of luck, interest in religion & spirituality and level of morality.
- You will have an approach to religious and philosophical issues that is steeped in traditional values.
- You are the archetypal reactionary in these matters; rarely changing or relinquishing your initial views.
- Your abilities to teach may extend to expounding on the dogma to which you firmly subscribe.
- Your ideas are related to particulars, instead of generalities and progressive notions.
- Travel and education especially enjoyable, and you are very much at ease living far from your native home.
- You just love to be honest and like some learning in your life.
- You find it stressful to balance needs for freedom and independence with needs for love and intimate companionship.
- You really behave quite oddly or aloof right which will put others off considerably thus affording you the space you need, but at a cost.
- You are also attracted to the exotic, offbeat, unusual, or bizarre.
- Before that will not be a boring time if you can help it! But it is apt to be a tense time if you are in a close, bonded relationship.
- Being spiritual will always help you in getting better in life.

- . You have potential to get appreciate that will be unique and individual.
- . You have a craving for things which are far away and foreign or for things you have never experienced before.
- . You want to completely immerse yourself in the feelings and tastes of a new place, rather than simply have facts or an intellectual appreciation.
- . Emotionally, too, you are restless and something of a wanderer.

· TENTH HOUSE [AGNYA/KARMA BHAVA]:

- This house basically covers matters related to your career, your Karma & the kind of deeds, your authority and name.
- A tendency to gravitate to professions requiring the use of words, or in occupations making use of your skills in dealing with mental and dexterous details
- Any career activity must have variety and be fast moving.
- You can communicate your ideas well, and you enjoy doing so.
- Your duties must provide never ending variety and challenge to command your continued interest.
- You are so hyperactive professionally that you may even take on two careers simultaneously, and succeed at both.
- Your work will be intellectual and very satisfactory.
- You want to stand out, to be the center of attention, and receive recognition.
- Feel charged with new energy, vitality, and sense of purpose if you decide your goal in your life.
- In this area of life you will feel sometimes confused.
- Do not get influenced by others try to create your own identity.
- Honor and respect will be there.
- But this house will only give you good results when you take it as worship.

· ELEVENTH HOUSE [LABHA BHAVA]:

- This house basically covers matters related to your gains and inflows from various sources.
- Social activities are limited to an informal style normally conducted within the home.

- . Favorite comrades are often pets, to which you may become much attached.
- . Pets are appreciated because they never resent your tendency to criticize.
- . You are never much of a joiner, but you can work very diligently within organizations promoting the welfare of children, animals, or the underprivileged.
- . Friendships are never taken lightly by this emotional and feeling placement.
- . So, there is a very discriminating attitude toward selecting those to whom you become close.
- . To those close friends that are developed, you have a very protective and nurturing relationship.
- . You will use your ability to work with people to achieve your personal goals.
- . You may have only a few close friends, because you are too busy enlarging your circle to establish many permanent relationships.
- . You weren't born to be a team-player, but will find that support is necessary to further your ambitions.
- . Cooperation and coordination should be your key words for success and play a major part in your life-pattern of expansion.
- . You are a team player and work well in collaboration with others who share your goals, ideals, and intentions.
- . You can coordinate group efforts and inspire people to work toward a shared goal.
- . Team sports are also a lot of fun for you, and you could be a leader, coach, or director of any group endeavor.
- . You have real community spirit, a drive to work with others on projects of humanitarian interest. An urge to make your altruistic dreams a reality keeps you moving in the direction of group goals and work.
- . You will have gains with the help of your friends and some specific people in your.
- . There will be continuity of enjoyments and desirable results.
- . Some of the legacies will cause a lot of litigation issues.
- . This house will give you better results when you properly follow the instructions mention above. Being extra emotional for luxurious things will be harmful for you.
- . TWELFTH HOUSE [VYAYA/ANTYA BHAVA].
- . This house basically covers matters related to Sexual desires & their fulfillment, losses, expenses and events beyond your control.
- . You are a power behind the scenes. You play a back room maneuvering role in matters.

- . Often, your contributions are not fully appreciated because you are never one to blow your own horn.
- . You have a self-sufficiency about you that keeps you from being lonely, even when you are completely alone.
- . You need to spend a good deal of time by yourself.
- . Much of power in your makeup is contained on a subjective level.
- . Sexual desires will be high. And there will be fulfillment too.
- . You must be careful for your expenses.
- . Some times it could be simply unwanted and wrong.
- . Errors in judgment, due to personal prejudices or emotion, are apt to occur.
- . Duties and obligations seem burdensome or at least emotionally restricting to you and you may feel self-pity or temporarily down in the dumps.
- . With introspection and soul contact, it's easier for you to become aware of ways you can be of true service to humanity.

C.
